## Homework Projects

Every two weeks students will be set a homework project. Students will be expected to spend approximately 4 hours a week for 2 weeks (a total of 8 hours) working on this project. The project will then be given in and marked by the relevant subject teacher. A mark sheet will be sent home to you and returned to the student (usually within 2 weeks of the work being submitted). Topics and dates are listed below. Students will be given advice by their teacher as to how best to complete each project and they should write key points in their Student Planner.
